- Participate in writing syllabi for the department with measurable student performance objectives for each course and submit reports as required.
- Advise students on their progress.
- Track graduates for THECB/SACS.
- Aid in planning instructional programs and policies.
- Be on time for class and promptly notify the appropriate administrator in case of absence.
- Post and maintain at least eight office hours per week and maintain thirty-five hours of presence on campus weekly.
- Maintain class roll book which records student attendance, grades, and averages.
- Submit all student grade reports to Student Services according to schedule.
- Report student problems to the instructional administrator.
- Assist with student registration when required.
- Provide advising to students, establishing a positive student-teacher relationship.
- Develop and proctor relevant course examinations.
- Attend all faculty meetings, commencements, and special events.
- Sponsor a student organization if assigned.
- Serve on committees as assigned.
- Participate in student recruitment activities.
- Follow school and department policies.
- Serve as a good public relations agent in the classroom and in the community.
- Teach day and evening courses both on and off campus as well as on-line through eLearning.
- Perform all other duties as assigned.

Minimum Position Requirements:

- Associate’s degree required. Certifications/experience in an appropriate discipline in energy required. Three years teaching experience at the postsecondary level preferred.

Knowledge, Skills, and Abilities Required:

- Must have a commitment to the philosophy of the college.
- Thorough knowledge of discipline with the ability to encourage students to use critical thinking and problem solving skills.
- Knowledge of learning theory-motivational, perceptual, and emotional forces present in the learning process and the conditions which affect individual learning and change.
- Knowledge of theories of leadership-alternative techniques and styles for guiding, motivating, and directing individuals under various conditions to achieve effective performance.
- Skills and ability to use current technology.
- Ability to demonstrate consideration of others.
- Ability to manage time effectively.
- Ability to deal effectively and fairly with a variety of individuals in a courteous manner.
• Ability to speak, read and write the English language.
• Ability to clearly present ideas in discussion and oral presentations.
• Ability to meet deadlines for reports and other required paper work.
• Ability to present a positive and professional image when representing the college.
• Ability to safeguard confidential information from intentional or unintentional disclosure.
• Ability to perform all the essential functions of this job.

Physical Demands and Work Environment:

• Work is normally performed in a typical interior/office work environment.
• No or very limited physical effort required; however, the employee must occasionally lift and/or move up to 75 pounds.
• No or very limited exposure to physical risk.
• Some travel required.
