A Bible Study for This Week

...What is a Conservative

...It's Still Blackey

Brother of House and House of Representatives

...Diluted Patriotism

Labor Day is a celebration of the achievements of labor and the contributions of workers to the prosperity and growth of our nation. It is a time to recognize the hard work and dedication of those who have built our country. However, some might argue that the significance of Labor Day has been diluted over the years.

...Wanted: Patriots

In an increasingly polarized society, it is more important than ever to stand up for what we believe in and be patriots of our country. This applies to all aspects of our lives, from our personal beliefs to our choices in public life.
