Seeks Quota

Of $19,000

Martin Leads

Fire Prevention Week Observed

This Fire Prevention Week was observed here from October 8th to 14th. Many schools and businesses sponsored activities to promote fire safety awareness. The week was marked by a series of events, including a fire drill at a local school, presentations by firefighters, and a community-wide fire prevention seminar.

SUCCESSFUL 4-DAY HUNT

Pipes Heads Fox Hunters; Winning Hounds Listed

Carthage People Planning First Fallout Shelter

An emergency shelter was constructed in the town square to provide temporary housing for residents during potential emergencies. The shelter was equipped with basic necessities to ensure the safety and comfort of those who would seek refuge there.

Martin Solicts Help In United Fund Campaign

As we come closer to the time of the year when we are asked to give a months salary to the Folks that dig a hole and make a road to spread about the earth, it is fitting that we should consider the causes we support. The Community Fund Drive, which is spearheaded by the Folks in the Town, offers an opportunity for us to contribute to the betterment of our community.

The Carthage People's Fund, the Chamber of Commerce, and other organizations are working together to raise funds for various causes. The goal is to ensure that our community is well-equipped to handle any emergencies that may arise. Please consider contributing to this important cause.
