Brooks News
by Mel Roy

11000 - Mrs. Red Chappell has attended the Brooks Nursing Home for the past 4 years ending 2 weeks with her death. Mrs. Grady Johnson and Mrs. Luca Gelade were both nurses. Mrs. Elnora Allen and Mrs. Ruby Allen were among the friends who called.

One Million Texans can't be wrong

A conservative estimate shows more than One Million Texans are served by the electric cooperatives of Texas.

A million satisfied customers is a proud record indeed but the rural electric systems are not resting on their laurels. They are working hard to improve the service and to increase the number of people served. The cooperatives are working closely with the state and federal agencies to provide modern distribution systems to the areas they serve.

The rural electric systems of Texas are providing a dependable, efficient electric service today ... while building a brighter tomorrow.
