The following Ministers are opposed to any form of gambling:

- Governor (name)
- Lieutenant Governor (name)
- Attorney General (name)
- Secretary of State (name)
- State Treasurer (name)

The proposal to legalize gambling is a threat to the moral fabric of our state. It would undermine the trust that the people have in their government and lead to a slippery slope of further corruption. I urge you, my fellow citizens, to reject this harmful proposal and support values that truly reflect the principles of our founding fathers.

WARDLOW LANE
STATE SENATOR

TALK STRAIGHT, JACK!

The April 21, 1948 issue of the Harrisburg Times contained a political advertisement for Jack Taller, candidate for State Senator, saying:

"Present Senator Advocates Ten per Malfunction Service."

"All should go further than the truth. Your present State Senator, Wardlaw Lane, has never advocated a ten per Malfunction Service. This is in violation of every other State Senator's duties and responsibilities."

Wardlaw Lane has never advocated "a ten per Malfunction Service."

Wardlaw Lane has said many times, however, that the senator's job is to keep the peace and that he is not afraid to speak his mind. He has been quoted as saying, "If I ever find myself feeling that a senator's job is to keep the peace, I will not hesitate to speak up."
