Final Chapter Written In Case of Fund Transfer

The final chapter in the determination of the disaster fund by the community was written last week. The Panola 4-H Clubs To Enter State Round-up will take place this weekend in and around the county. The clubs will be represented by their members, and the members will be divided into seven sections. The sections will be divided into three categories: 1-3, 4-6, and 7-9. The sections will be judged on their performance in various aspects, including but not limited to, their presentation, grooming, and overall impression. The winner of each section will be awarded a prize. The event will be held at the Panola County Fairgrounds on Friday, September 24th, from 9 am to 5 pm. The event is open to the public, and admission is free. The organizers encourage all interested parties to attend and support the event.

Editorials and Features

A Greene Crisis

The Greene County, home of the state college, is being plagued by a water crisis. The college has been without water for several days due to a break in the main water line. The college administration is working hard to find a solution, but the situation is dire. Students have been asked to conserve water as much as possible.

The Greene County Sheriff's Department has been called in to investigate the break and repair the line. The repair work is expected to take several days.

A Grave Crisis

The state of Missouri is facing a severe drought, and the state government is taking steps to address the situation. Governor Smith has declared a state of emergency, and the state is asking for federal assistance.

The drought has resulted in a significant drop in the water levels of the state's reservoirs. The state is working with the federal government to secure funds for water storage projects.

A Backward Glance

The Greene County Historical Society is holding a series of lectures on the history of the county. The lectures are being held in the county courthouse and are open to the public.

The Esquire Theater

The Esquire Theater is the oldest theater in Greene County and is a popular destination for local residents. The theater recently underwent a major renovation and is now offering improved seating and lighting.

The Greene County Chamber of Commerce is seeking nominations for the Greene County Hall of Fame. The Hall of Fame recognizes individuals who have made significant contributions to the county.

The Greene County Fair is set to begin next week, and the fairgrounds are already bustling with activity. The fair is a popular event, attracting visitors from all over the state.

Supermarket in your kitchen!

BUY A NEW ELECTRIC REFRIGERATOR FREEZER...NOW
