The Upper Room

A Devotional

PEOPLE OF THE COVENANT

The people of the covenant are those who are committed to God and His plan. They are those who have entered into a relationship with Him through faith in Jesus Christ. The covenant is a promise that God made to His people, and it is a foundation for their faith and their relationship with God.

In the Bible, the covenant includes both the Old Testament and the New Testament. The Old Testament covenant includes the Ten Commandments and the Mosaic Law, which were given to the Israelites by God through Moses. The New Testament covenant includes the gift of salvation through faith in Jesus Christ, which is available to all who believe.

The people of the covenant are those who are set apart for God and are called to live a life that is pleasing to Him. They are those who are called to be a people of faith, to live a life of obedience, and to be a light to the world.

Fallen Plant And Fallen Men

The Bible teaches that all people are fallen, meaning that they are separated from God because of sin. This is true for both the earthly and the spiritual realms.

In the earthly realm, it is easy to see how people can fall into sin. They can make mistakes, they can be tempted by the devil, and they can be overcome by the pressures of life.

In the spiritual realm, it is important to remember that we are all sinners in need of salvation. We all have sinned and fallen short of God's glory.
