The 102nd United Fund of Panola County Campaign will open on Tuesday evening, with the Glee Club, with only little over 50 per cent reported at this time. The campaign chairman, H. M. Howell, and the Board of Directors of the United Fund parceled out to each county the necessary financial resources to be raised to meet the goal established by the Board of Directors.

Miss Keesling to Represent 10 Counties

An attractive Panola County girl is Mrs. Margaret Russell, who has just been selected as one of the ten best women in the state. She will serve as a representative for Panola County at the state-wide Central Baptist Church Convention which will be held at Houston, November 23rd.

Central Baptist Church

Miss Russell, who is the daughter of Mr. and Mrs. Richard Russell, is a graduate of the Central Baptist College in Dallas, Texas. She is currently working on her master's degree at Southern Methodist University in Dallas.

Central Baptist Church

Miss Russell's selection is not surprising, as she has always been active in community affairs. She has been a member of the Panola County Young Women's Christian Association for several years, and has served as a member of the Panola County Public School Board for the past five years. She is also a member of the Panola County Red Cross, and has been active in many other local organizations.

Central Baptist Church

Miss Russell is married to Mr. James Russell, who is also a graduate of Central Baptist College. They have two children, a son and a daughter.

Central Baptist Church

Miss Russell's appointment is also significant in that it will provide an opportunity for Panola County to present itself in a positive light on a state-wide level. Her selection is a reflection of the strong and vibrant community spirit that exists in Panola County.
