A Thanksgiving Message From Your District Judge

At this time of year when we offer special thanks for the many blessings bestowed upon us, I take this Thanksgiving season to express my deepest appreciation to you for your outstanding cooperation and assistance to me in my position as District Judge. As the year comes to a close, I reflect on the progress made and the steps taken to strengthen the judicial system, and I am encouraged by the active support of our community. Your patience and your endurance have enabled the success of the program which I have endeavored to implement. As we look forward to the coming year, I feel confident that together, we can continue to build upon the foundation laid and ensure justice for all.

President John F. Kennedy

This morning, as we approach the start of each new day, we are reminded of the importance of the choices we make. Our actions today will shape the future, and it is our responsibility to strive for a better tomorrow. Let us be guided by the principles of honesty, compassion, and integrity, and let us work together to create a world where justice prevails and every individual is treated with dignity and respect.
