Why is Borden's the milk for children?

Why is Borden's the milk for children? It is a combination of health, convenience, and affordability. Borden's Homogenized Milk is rich in calcium and other nutrients essential for growing children. It is also easy to digest, making it a great option for children with digestive issues. Borden's Homogenized Milk is also more affordable than other premium milk brands.

BORDEN'S IS FRESHER, RICHER, BETTER THAN REQUIRED BY LAW

Borden's Homogenized Milk is made with fresh, high-quality ingredients that meet or exceed all federal regulations. In fact, Borden's Homogenized Milk is fresher, richer, and better than required by law. This means that Borden's Homogenized Milk is not only safe to drink, but also nutritious and delicious.
