Mrs. Thompson, program leader for the 4-H group, announced that the group will meet on the first Friday of each month at the Panola County Farm Demonstration Center. All members are encouraged to attend.

**Visits Dot Area News**

Father's Day Visits Noted

This year's Father's Day was marked by visits from children and grandchildren. Many families scheduled special events to honor their fathers, including picnics, barbecues, and family reunions. The local community center also hosted an all-day family fair, which included games, crafts, and food stands.

Oil Production Is High For Past Year

More than $10,000 worth of petroleum products have been produced by the Panola County Public Utility Board during the past fiscal year. The board is responsible for the operation and maintenance of public utility systems in the county. The production includes natural gas, which is used for heating and cooking, as well as gasoline and diesel fuel for various purposes.
