**Let There Be Light**

"And God said, let there be light and there was light..."

The gift of light has been the most wonderful thing known to man by
His Creator. It is with the gift of light that we can clear our mind and all the
other things that make life bright. On this side of creation, no wonder then that the light is a symbol
devoid of evil. The sphere of darkness of our minds for the
courage when the light of life is ever the dark exterior.

Another symbol of light in the church where mighty spiritual staff light in many perplexing and heart-breaking problems. It stands in the light
inside in the darkness of uncertainty and doubt.
