Soil Payment Checks Are Due

Animal Soil Bank payments are scheduled to be mailed within the next two months. The plans of the Farm Income Security Program, as they are being carried out for the first time in the state of Texas, are still in the experimental stage, according to a recent release from the Soil Conservation Division of the U.S. Department of Agriculture.

Corporation Is Created

The first United Fund report appears to be favorable.

Goal Is Sought By Chairman

First reports of the Panola County United Fund, made by the chairman of the local United Fund committee, indicate that the goal of $150,000 has been exceeded. The committee has received contributions from many sources, including local businesses and individuals.

INTERNATIONAL OFFICIALS — Five Officers of the International Fish and Wildlife Foundation were in this area this week to participate in conservation activities. They include President Donald G. Smith, chairman of the board; President-Elect Butch M. Jones, director of the foundation; and Vice President S. J. B. Dyer, director of the foundation.

INTERNATIONAL OFFICIALS — Five Officers of the International Fish and Wildlife Foundation were in this area this week to participate in conservation activities. They include President Donald G. Smith, chairman of the board; President-Elect Butch M. Jones, director of the foundation; and Vice President S. J. B. Dyer, director of the foundation.
