Witness in Suffering

Background Scripture: 1 Peter 1:3-9, 2:19-20

Memory Selection: If one suffers as a Christian, the more one suffers, the more one is being blessed. The more Christ the Church suffers, the more it is blessed.

INTRODUCTION

The title of this message is: "If one suffers as a Christian, the more one suffers, the more one is being blessed." The message is based on the background scripture from 1 Peter 1:3-9, 2:19-20. The memory selection is: "If one suffers as a Christian, the more one suffers, the more one is being blessed. The more Christ the Church suffers, the more it is blessed." The message is designed to encourage attendees to witness in suffering and to understand that suffering is a part of the Christian faith.

EXPLORING THE BIBLE PASSAGE

From the passage, we learn the importance of suffering in the life of a Christian. Suffering is not something to be avoided, but rather something to be embraced, as it is a part of the Christian faith. The passage also emphasizes the importance of suffering for the Church, as it is a way to show the world the love and grace of God.

APPLICATION

As we apply this message to our lives, we are called to witness in suffering, as a way to show the world the love and grace of God. We are called to be a light in the darkness, to show the world the love and grace of God.

Devotional

(Read Romans 8:27-30)

Thursday, 4th April, 1948, was set aside as the Day of Prayer for the Preservation of South Africa's Freedom. The day was marked by a special service at the National Shrine of Our Lady of Lourdes in Pretoria. The service was attended by a large crowd of people, including many prominent figures from the Church. The day was dedicated to the preservation of South Africa's Freedom, and to the memory of those who gave their lives for it.
