... completely refillable, holds your needs service... doesn't tell you when or if the time you need it. When you need it, you Simply call or drop in your order with your own Carthage Drug Manager. In most cases, our location managers can deliver it right to your door. In other cases, they can deliver it to your local dealer's or local store. A popular Carthage Drug Manager can give you the latest news, reports, or other valuable information on your product. Does this mean you need to know the Carthage Drug Manager? We think so. A popular Carthage Drug Manager can help you save time and money on your food and service needs. Carthage Drug Manager, P.O. Box 117, Carthage, 2529-1800.
