Some Will Be Paying None

School Board Rolls Back Some Taxes

By ED HANCOCK

The Panola Independent School District has decided to roll back some of the property tax rates for those in the school district. The changes were approved by the district's board of trustees and will take effect over the next few months. The rollbacks will affect property owners who currently pay more than the previously approved rates.

Brady To Fill Board Vacancy

The Panola Independent School District has announced that Brady Brown will fill the vacant seat on the board of trustees. Brown was appointed to the position after the resignation of a previous board member. He will begin his term immediately and serve until the next election.

300 Attend Camp Fire Open House

Approximately 300 people attended the Camp Fire Open House held at the district's education center. The event was held to provide information about the school district's offerings and answer any questions that parents or students may have.

THE WAGE-PRICE FREEZE

The nation's economic situation remains extremely precarious at the moment, with wage-price controls still firmly in place. The freeze on wages and prices is essential to maintain economic stability. Despite the challenges, our efforts continue to keep the economy on a steady course.

Questions and Answers

Q: What are the long-term effects of the wage-price freeze?
A: The wage-price freeze aims to control inflation by limiting the growth of wages and prices. In the long run, this could lead to increased productivity and lower inflation rates. However, it may also result in reduced consumer spending and economic growth.
