Ex-Carthage Stars Give
East Texas Baptist Boost

The Carthage High School
football team has been
boosted by the addition of
three former Carthage stars
who have joined the East
Texas Baptist University
football team. These former
Carthage players have
brought their talents and
experience to the Baptist
team, helping to improve
their overall performance.

The three players are

1. **Mr. Taylor** - Former Carthage head
quarterback, known for his strong
arm and ability to lead the team on
the field. His presence has been
a major提升 for the Baptist team.

2. **Miss Smith** - A versatile
player who can play both
offense and defense. Her
speed and agility have
improved the Baptist team's
defense.

3. **Mr. Johnson** - A skilled
kicker who has been
consistent in his field goal
attempts. His accuracy has
contributed significantly to
the team's scoring.

Despite facing challenges,
these former Carthage
stars are working hard to
help their new team achieve
success. Their dedication
and enthusiasm have
inspired the rest of the
Baptist team to improve
their performance.

Panola Soil And Water Conservation District
ANNUAL REPORT -- 1971

YOUR DISTRICT
The Panola Soil and Water Conservation District is a legal subdivision of the state of Texas with boundaries being the same as that of Panola County.

PURPOSE
To get conservation established and maintained on every acre in the district

FARM PLAN
The board of supervisors monitors the farm practices of the members of the district through periodic inspections. Technical assistance is provided to the members in the form of educational programs, conservation planning, and land evaluation. The objective is to ensure that the farms are managed in a manner that is environmentally sound and sustainable.

ELECTION OF BOARD
Members of the board of directors are elected for three-year terms, one-third being elected each year. The members are elected from one of the four areas of the district and must reside in the area from which they are elected. Meetings of the board are held the first Thursday of each month and are open to the public.
