SANTA'S BEST

SEASON'S BEST

SEASON'S BEST
Consider Live Christmas Tree

Consider planting a Live Christmas Tree in your yard. This can be a fun and educational activity for the family. The tree can be enjoyed for the holiday season and then planted in the garden. The sap from the tree can be used as a natural fertilizer and the tree itself can be transplanted to a new location. This is a great way to enjoy the beauty of the season and the benefits of the tree.

Board Recommends Parks to Confine Mobile Homes

The City of Carriage is looking into the possibility of creating a park for mobile homes. The City Council has been discussing the option of creating a park that would be specifically for mobile homes. The City is considering the option of creating a park that would be specifically for mobile homes. The park would be a place where mobile homes could be housed and would be subject to City regulations. The City would also be able to control the number of mobile homes in the park.

Indians Made Own Yule Tree Of Straw

In the tradition of the ancient Greeks, the Yule Tree is made of straw and is used to celebrate the winter solstice. The Indians of Carriage are making their own Yule Tree of straw. The tree will be decorated with lights and other decorations. The tree will be located in the park and will be open to the public. The City is proud to have the Indians creating their own Yule Tree and is looking forward to seeing the finished product.

Season's Greetings

The wonderful holiday season is here! Time to wish all people on earth happiness and joy. We join in to wish a Merry Christmas to all.
