State and Federal governments have been given a mandate to be the primary providers of medical care for the nation's citizens. This is a monumental task that will require significant resources, including funding, staffing, and infrastructure. However, it is essential for ensuring the health and well-being of our population.

Great Public Servant

There is no question that our public servants are important in our society. They work tirelessly to keep our communities running smoothly and provide essential services to their constituents. As taxpayers, we expect them to perform their duties effectively and efficiently.

What's Right With U.S.

The U.S. has a strong economy, and it continues to grow. It's a country that values hard work and entrepreneurship. However, we must ensure that we continue to support these values and provide opportunities for our citizens to achieve their goals.

STEVE BURGESS CAN DO MORE FOR PANOLA COUNTY

1. Helped defeat a bill that would have required all_Version to test for highs every year.
2. Passed more bills than any member, improve public education.
3. Set up the only full-time training school in Texas at Panola.
4. Authorized and passed another legislative for private schools, and others.
5. Voted against the bill to require buses on small tractors.
6. Authorized a bill to require sprinkler systems to be installed in Texas.
7. Helped to defeat a check-off tax on homes and also a state tax on gasoline and savings.
8. Voted in favor which will help the working men and also the working women.
9. Working on the problem of imported goods in East Texas.
10. Passed a bill to help public schools, get a better security for our students.
11. Helped defeat three bills that continue the Fasch to Market Road Improvement. This was等工作在城市行政区划，包括
12. Voted against a bill which would have raised the state income tax.
13. Voted against a state tax on gasoline.

I would represent District 4 at the 4th ranking position in the House of Representatives. This would enable me to do something for the people of District 4. It is a district where we have a wide range of concerns, and I believe that working closely with the people will help solve the problems that affect our area.
