Georgia-Pacific To Locate Here

Annual Payroll Of $800,000 Plus

The Payroll of this manufacturing mill will average about $800,000 annually. The new plant will be located in the Fort Valley, Ga. area, near the town of Fort Valley. The company intends to open the plant in early 1975. The new facility will create employment opportunities for 275 people, including skilled and unskilled laborers. The project is expected to bring additional jobs and economic benefits to the area.

Martin To Receive Honorary Doctorate

The Georgia-Pacific Corporation has announced that Mr. Martin will receive an Honorary Doctorate in Business Administration during its 1975 commencement exercises.

Assistance Approved

The Georgia-Pacific Corporation has approved a grant of $10,000 to the Panola County Chamber of Commerce for the development of a tourism project. The funds will be used to create promotional materials and raise awareness about the area's attractions.

Rodeo Set

The Georgia-Pacific Corporation is sponsoring a Rodeo in the Panola County area. The event will take place on Saturday, June 15th at the Panola County Fairgrounds. Tickets are available for purchase at the door.

Legal Secretaries To Install Officers

The Georgia-Pacific Corporation has announced the installation of new officers for the Panola County Legal Secretaries Association. The new officers will serve a one-year term and will be responsible for the organization's activities.

Festival Scheduled

The Georgia-Pacific Corporation has announced its sponsorship of the Panola County Festival, which will take place on Saturday, June 15th at the Panola County Fairgrounds. The festival will feature live music, food vendors, and a parade.
