CISD Plans To Hire Superintendent

Carthage Girl Picked
Miss KWKH For ’72

Will Go Outside Of System

SAVANNAH PACIFIC BREAKS GROUND
A Savannah Pacific official breaks ground for a new plant during a ceremony held by Georgia-Pacific. The plant is to be located in Savannah, Ga., and is expected to be completed in mid-’72. It will produce paper.

School Dress Codes Changes

The local High School has revised its dress code for both boys and girls. The new rules, effective immediately, require students to wear shirts, blouses, and slacks. The rule applies to all students, regardless of sex. The school administration believes that the new dress code will help maintain a more orderly and appropriate atmosphere in the school.

PJC Funded

The State Senate has approved the funding of the Panola Junior College. The college will receive a total of $200,000 in state funds to support its operation.

Pony For Sale

A six-year-old pony, registered as a Tennessee Walker, is available for sale. The pony is healthy and well-behaved, and is currently being used for riding lessons. The owner is willing to negotiate the price.

Martin Honored As East Texan Of The Month

A native of Carthage, Martin has been chosen as the East Texan of the Month for his contributions to the community. He is a dedicated volunteer, and has been involved in numerous local organizations.

This Week

New students are being enrolled at the Carthage High School. Those interested in enrolling should contact the school for more information.

Second Petition Granted

A second petition has been granted for the construction of a new school in Carthage. The petition was filed by local parents and community members.

First Grade Orientation

The first grade orientation for the upcoming school year will be held on August 7th. Parents are encouraged to attend to learn more about the school's activities.

GEORGIA-PACIFIC BAKES GROUND
A Savannah Pacific official breaks ground for a new plant during a ceremony held by Georgia-Pacific. The plant is to be located in Savannah, Ga., and is expected to be completed in mid-’72. It will produce paper.
