Convenient Magnavox TOTAL AUTOMATIC COLOR TV System...

let's kick the annoying TV adjustment habit. Just set it and forget it!

Makavox Astro-Sonic STEREO FM/AM Radio-Phone

Makavox has two units that may quickly become your favorite stereo. The "Astro-Sonic" FM/AM radio-phones are simple to use and easy to carry. The "Astro-Sonic" series comes in two models: the Model 2000 and the Model 4000. Both models feature a built-in microphone and speaker, and have a wide range of musical settings. The Model 2000 features a single-plexer circuit and employs a small, lightweight speaker. The Model 4000 features a dual-plexer circuit and employs a two-speaker system for improved sound quality. Both models are available in black or white finishes. The Model 2000 is priced at $200.00, while the Model 4000 is priced at $300.00. Please contact us for more information on these units.
