Be it resolved that we, the Carthage Missionary Baptist Church, stand opposed to the legalized sale of alcoholic beverages in the City of Carthage.

Proverbs 20:1 "Wine is a mocker, Strong drink is raging: and whosoever is deceived thereby is not wise."

Be not deceived. Stand against the legalized sale of alcohol in our city.

Meet Omega. The new compact Olds.

A compact - with big-car thinking. You'll call it the Omega. It's the new Oldsmobile compact.

More good stuff you won't find in a compact. There's a Rocket 350 V8 with 350 horsepower. There's a four-speed automatic. There are bucket seats and a fancy woody trim. There's a special appearance package that makes it look like a Toronado.

There's a whole different kind of driving experience. It's more than a matter of luxury. It's what front-wheel drive does for you.

A smoother, more effortless ride than the average compact. It's a lot of Olds for very little money.

Ninety-Eight. Drive it and draw your own conclusions.

You can pay a lot more for other luxury cars, and not get as much.

Cutlass S. What a step up! Holy cow!
