North Panola Revival Outreach

Services each evening at 7 P.M. under the Big Top

Beginns Monday - October 2, 7:00 P.M.

In these troubled times in which we live, when morals are at a low ebb, sin on the rampage, we believe the people of north Panola County need to feel the presence and power of God.

Scriptures teach us to seek, work and pray for revival.

Come one, come all and let us follow the scriptural instructions and trust God to honor us with his presence.

EASTSIDE BAPTIST CHURCH
GARY, TEXAS

Since much of our business and shopping are done in Carthage, the members of Eastside Baptist Church, Gary, Texas, felt that we are entitled to express our opinion relative to the legalized sale of intoxicating beverages as drugs in the city limits of Carthage.

Therefore, be it resolved that we are opposed to the sale of such in Carthage–Recole County, or anywhere else, and are disappointed that some of the business men of Carthage are on record as supporting the election for the legalization of intoxicating beverages.

Mrs. Dillie, head of St. Jude's Church, is pleased that we are opposed to the sale of such in Carthage–Recole County, or anywhere else, and is disappointed that some of the business men of Carthage are on record as supporting the election for the legalization of intoxicating beverages.
