Emberton Represents County

Rev. Nally New Pastor

A former Smith County resident, Mr. Smith, has accepted a position as pastor at the First Baptist Church of Smith, Texas, effective immediately. He previously held similar positions in other churches throughout the state, including a term as associate pastor of First Baptist Church, Dallas. Mr. Smith is a graduate of Southwestern Baptist Theological Seminary and holds a Master of Divinity degree from Southern Baptist Theological Seminary. He and his family look forward to making Smith their new home and working with the congregation to grow in faith and service.

A New First National Service

Picture Checks
Because Nobody Looks Like You

Checks. Every bank has them. But the First National Bank of Carthage offers Picture Checks. The First National takes a picture of you. If you lose Picture Checks, it's instant identification that makes your check cashing easy no matter where you go. It's positive protection! If your checks are lost or stolen, it's the only check around that proves you're really you.

Don't go back to the bank to get one, just show your Picture Check. It's there for you when you need it.

U.S. teenagers make a "dumb and stubborn" foreign policy. This is a question of the United States' foreign policy. The United States' foreign policy can be described as "dumb and stubborn". It is crucial for America to make a better decision regarding foreign policy. This is not only important for American interests, but also for the stability and prosperity of the entire world. The United States' foreign policy is often criticized for its "dumb and stubborn" approach. It is important for America to consider the long-term consequences of its foreign policy decisions. The United States should strive to promote a more collaborative and sustainable approach to global challenges. This is crucial for maintaining stability and prosperity in the world. The United States' foreign policy is often criticized for its "dumb and stubborn" approach.

A Poor System

The U.S. Constitution is a poor system. It is riddled with contradictions and inconsistencies. The Constitution is not a perfect document, and it has limitations. It is important to recognize these limitations and work towards improving the system. The Constitution needs to be reformed in order to better serve the needs of the people. It is time to consider reforming the Constitution in order to improve its effectiveness and ensure that it better represents the needs of the people. The Constitution needs to be reformed in order to better serve the needs of the people.
