Tornado 'Ruins The Roost' At Antioch

An early morning tornado swept through a section of Antioch killing six people, destroying many homes and causing widespread damage. The tornado, which traveled through the industrial area of Antioch, was estimated to be an F2 on the Fujita scale. At least 12 people were injured, and the death toll could rise as search and rescue efforts continue.

High wind wrapped sheet metal around utility poles.

Total destruction of 12,000 capacity broiler house.

A row of buildings where tornado first hit.

Storm leaves bodies house without the card wood.

Not much left.

1,500 chickens killed during nature's wrath.
