CISD Applies For Aid
For Vocational Program
Flourished Management Board and their students are planning to apply for financial aid for the vocational program at the Panola Junior College. The application form is due in the Board office by November 15th. Students who meet the eligibility requirements must submit the application form along with the required documents. The Board will review the applications and select the students who will receive the aid. The aid will be used to cover tuition fees and other expenses related to the vocational program. Students are encouraged to apply early to ensure that their applications are considered.

Emberson Reflects Trip
To Mexico Over Holidays
Emberston, a senior at the Panola Junior College, reflects on her trip to Mexico over the holidays. The trip was sponsored by the College and offered a unique opportunity to explore the culture and history of the country. Emberston visited several landmarks, including the Pyramids of Teotihuacan and the Great Wall of China. She was particularly impressed with the hospitality of the local people and the delicious food. Emberston plans to visit Mexico again in the future and hopes to share her experiences with others.
