Carthage Cable-Vision Construction Announced

The Carthage City Council was in session in board meeting last week in the Council Chambers on the first floor of the old post office building. The council heard a report on the progress of the plan to build a cable vision system for Carthage. The system will provide television programming for the city and will be financed through a bond issue. The council voted to continue the bond issue and to appoint a committee to work on the project.

Man Charged With Murder

A man was arrested last week on a charge of murder in Carthage. The man, who was identified as John Smith, was arrested after his wife filed a complaint. The wife told police that her husband had beaten her and that he had threatened her with a knife. The police investigated the complaint and arrested the man. He was charged with murder and is currently in jail awaiting trial.

- To Santa

Dear Santa,

We hope you are well and that your sleigh and reindeer are in good shape. This year, my family and I have been good, but we also want to make sure we are preparing for the holidays. We have sent our list of gifts, and I have enclosed a few extra cookies and milk. We are looking forward to seeing you on Christmas Eve and we hope you have a safe journey. Thank you for all you do!

Sincerely,

Christmas Joy

Hi Donna,

We were just thinking about the toys you mentioned in your letter. We have a few suggestions that we think might be interesting to you. First, consider a high-quality wooden toy with moving parts. These toys are not only educational but also environmentally friendly. Second, a set of puzzles or a construction kit can help develop problem-solving skills. They are also a great way to keep children engaged for hours.

Sincerely,
