No fifths this Fourth.

There used to be a saying at Fourth of July picnics that Ramseys and the like didn’t do it. Well, no longer. There’s a saying that a man who doesn’t drink is a fool. So this year we’re in with what I think it means to drink. Baking, drinking and spending. And you’ve got the ingredients for the Fourth.

The Fourth if you want it, don’t get somebody else to do it. That’s our time. It’s DRIVING FRIENDLY.
