"It's the only luxury car I know of whose owners talk as much about its performance as they do about its looks and comfort. Its front-wheel drive makes a difference that grows on you."

"You would be amazed at how many people buy an Omega just because it is an Oldsmobile. We say Omega: a compact with big-car thinking built into everything. But the price..."

"When I tell people these are the most popular Oldsmobiles in history, they ask why. I say it's because Cutlass makes it easy for you to step up to an Olds. And what you get is a very class car!"

"You couldn't believe the excitement this car is causing. Olds has built fine luxury cars for years, but this Regency is suddenly getting Olds a lot of new recognition—and a lot of new believers, too."
