Former Resident Presents Program At Harris Chapel

No, though it's billed as a "Red and White" event, the upcoming program at Harris Chapel is actually a "Red and White" event... with a little bit of blue thrown in.

The program, "Red and White," is presented by the Harris Chapel community and is scheduled for Saturday, July 23rd, at 7:30 PM. The event will feature a variety of performances, including speeches, music, and dance performances.

A spokesperson for the event stated, "We're excited to bring the community together to celebrate our roots and our future. It's going to be a night of fun and entertainment for everyone."
