Dr. McKenzie To Resign

Many local residents have been saying for some time that Dr. McKenzie should step down from his position as superintendent of Carthage High School. Now, some of these residents have banded together to form a citizens' group to replace the superintendent. They hope to find a new local person for the job. It has been suggested by some that Dr. McKenzie resign in order to give the people of Carthage a chance to select a new superintendent. It is not known whether Dr. McKenzie will resign or not, but he may be eligible for more benefits if he resigns now. The citizens' group will have to decide on its next steps when Dr. McKenzie makes his decision. The group has not yet been able to agree on their next steps. The citizens' group has been meeting to discuss their plans since December.
