Shockey To Serve On TAE Committee

Shockey Voice, managing editor of The Voice-Chamberlain newspaper at the University of Chamberlain, has been selected by the Chamberlain Student Council to represent the university in the Student Council for the State of South Dakota. Shockey was elected to serve on the council, which is responsible for organizing and coordinating state-wide student activities.

ASCs Taking Requests For RECP Assistance

ASCs (Agricultural Stabilization and Conservation Service) is taking requests for RECP (Rural Environmental Credit Program) assistance. The program will be used to improve the environment on farms and ranches. Eligible applicants can include farmers, ranchers, or other rural landowners who are willing to make improvements that will benefit the environment. More information can be obtained by contacting the local ASC office.
