Bville To Get New Post Office

The Board of Supervisors voted Tuesday to approve the construction of a new Post Office facility in Bville, in accordance with the recommendations of a feasibility study conducted by the Post Office. The new facility will be located on Main Street and is expected to be completed by the end of the year. The existing Post Office building will be renovated and used as a community center. The move to the new facility is expected to improve service for residents and businesses in Bville. The facility will include an expanded lobby area, mail processing area, and additional parking spaces. Operations will continue at the current location until the new facility is ready for use.

School Trustee Elections Scheduled For Saturday

The Board of Trustees for the Bville Independent School District will hold elections on Saturday, November 2, to fill open positions on the Board. The Board currently has five members, four of whom are up for re-election. The Board will be responsible for overseeing the operation of the school district, including the development of the budget, curriculum, and policies. Citizens interested in serving on the Board are encouraged to attend the meetings and learn more about the duties and responsibilities of a Board member. Nominations for the open positions can be submitted to the District Office until October 25. The election will be held at 1:00 PM in the school's auditorium.

PANOLA COUNTY This Week

The Board of Supervisors will meet on Monday at 9:00 AM in the Board Chambers to discuss upcoming projects and initiatives. The Board has approved a new program to provide financial assistance to students in need. The program will provide grants to qualified students to help with tuition costs. The Board also approved a resolution to support efforts to improve access to mental health services in the county. The Board will conduct two public hearings this week to discuss a proposed property tax increase and a proposed update to the comprehensive plan.

Lake Residents Discuss Garbage

Lake residents in Garbage, TX held a meeting to discuss the current garbage situation in the area. The community is looking into ways to improve waste management and reduce the amount of garbage that ends up in their lakes. One提议 was to start a garbage exchange program where residents can swap or donate their unwanted items to others in need. The meeting also highlighted the importance of recycling and composting to reduce waste. The community has promised to continue working on finding solutions to the garbage issue.

'Snew Broom' To Sweep Clean

Woodward Township is ready to turn over a new leaf with a new sweeping initiative. At the Junior-Senior Banquet this week, a new sweeping group will be introduced, promising to keep the township clean and beautiful. Members will be trained in the latest sweeping techniques and will work together to ensure that the township remains a pleasant place to live.

Thesis Gives Watchman History

A recent thesis on the history of the Watchman has been completed. The thesis explores the role of the Watchman in the community, from its inception to its present day. It also delves into the challenges faced by the Watchman over the years and how it has adapted to changing times. The thesis is available for public viewing at the local library.

Life Is Longer

For Panola County Residents

Panola County is known for its long history and rich culture. One of the most popular events in the county is the Annual Longest Life Celebration, which celebrates the lives of the oldest residents in the county. The event includes a parade, a competition for the longest life, and a banquet where the winners are honored. The celebration is a way to recognize the contributions of the county's seniors and to encourage younger generations to value longevity.

Sales Tax Record Set

The Smith Hardware in Smithville has set a new sales tax record. The store managed to increase its sales by almost 20% compared to last year. The record was achieved through strategic promotions and a focus on customer service. The store plans to continue providing high-quality products and excellent service to its customers to maintain its momentum.
