SAFETY WEEK PROCLAIMED

The annual safety week, being observed this week throughout the country, was proclaimed as observed this week throughout the country, with several events scheduled to raise awareness about safety. The main event is a presentation by local experts on common accidents and how to prevent them. The week also includes a series of workshops on safety in the workplace, at home, and while driving.

Elderly Tax Exemption Increase Tabled By B’ville School Board

During a recent meeting, the B’ville School Board discussed the proposed increase in the elderly tax exemption. However, after hearing concerns from residents and district officials, the board decided to table the issue for further review. The decision was made to ensure that the increase would not disproportionately affect low-income seniors.

You Are Invited To A FRANCES DENNEY "EXPERIENCE IN LUXURY"

The Frances Denney Consultant will be in our store Thursday, Oct. 21, 1:00-3:00 to answer your questions and discuss the Fine Arts of Cosmetics and Fragrances. Please join us on the above date and discover what Frances Denney is all about.

The Dodge Boys proudly present

THE ALL-NEW '75 CORONET.
(its a little bit smaller—a little bit sportier.)

Engine Repair Course Is Set

The Special Services Division of Dodge cars will be offering a two-day engine repair course starting next week. The course will be taught by experienced mechanics and will cover basic maintenance and repair techniques. Students will have the opportunity to work on real cars and learn from experts in the field.

Gov.'s Report

The Governor reported on the state's economic progress in his recent speech. He highlighted the growth in the technology sector and the increase in renewable energy infrastructure. The Governor also discussed the need for better public transportation and the importance of investing in education and workforce development.

Out of Orbit

The local newspaper featured an article on the challenges faced by students in rural areas. The article discussed the lack of resources and the need for better support systems for these students. It also highlighted the efforts being made by local organizations to improve educational opportunities in these areas.

Public Service Announcement

An emergency drill will be held next week to test the city's emergency response systems. All citizens are encouraged to participate in the drill to ensure their safety during a real emergency.
Kickoff Breakfast Set
For United Fund Campaign

It's Time To Change
On the TMID of the new year, Flagstaff county and the surrounding area will participate in the United Fund Campaign. This year the emphasis will be on change, as it is...
