THIS WEEK’S
Sunday School Lesson

When Injustice Ravages

“Victory Through Guilt” (Rev. 14:10-12) and righteousness as a single system. (Rev. 13:10-12)

DEVOITIONAL

In David’s Day, the right to die was not
considered a right. The right to live was
considered a right. The right to live was
given by God to every individual. The
right to die was given by God to every
individual as well. Therefore, the right to
die was not considered a right.

In our own day, the right to die has been
called a right. However, the right to live is
not considered a right. The right to live
was given by God to every individual. The
right to die was given by God to every
individual as well. Therefore, the right to
die was not considered a right.

Fellowship Is Slated By Church

The James A. Bowman Church will have its
Fellowship Dinner tonight at 6 p.m. The
Dinner will be held at the church. The
Dinner will feature a speaker from the
local community.

FARM PLAN

The board of supervisors believes the farmer’s conservation plan the backbone of sound management. Financial assistance in developing the conservation plan is provided through the district program. Farm classification, woodland sites, crops, livestock and land capability are the main factors that are evaluated in the plan. The farmers are the main source of our District regardless of age, creed or color.
