Local Hospital Charges Are Comparably Lower

In the Houston Chronicle, an article discussing the comparability of local hospital charges. The article notes that hospitals in the area are generally charging similar rates, and provides statistics to support this claim. It also includes comments from hospital administrators and patients about the cost of hospital stays.

Court To Face Lengthy Agenda

Penelope County Commissioners will meet to discuss a number of items on the agenda. Among the items scheduled for discussion are the budget for the next year, the appointment of new commissioners, and the allocation of funds for various projects. The court is also scheduled to consider an appeal from a recent decision of the Board of Education, as well as a request for a new building for the local library.

Assistant Funds Are Available

Funds are available for various projects, according to the officials. The funds are intended to support the construction of new roads and bridges, as well as the improvement of existing infrastructure. The funds are available to eligible projects through the county's grant program.

Exploring The 'Last Frontier'

In this article, the author discusses a recent trip to the 'Last Frontier', a region that is often referred to as the most remote and least explored part of the country. The author provides insights into the culture, environment, and history of the region, highlighting its unique characteristics.

Attending Your Chamber Banquet

The French: A Changing Tune

By SUNDAY REVIEW

Why Them?

Federal employees currently enjoy some protection from discrimination, but many are still facing challenges. It is crucial for employers to create a diverse and inclusive workplace. This would not only benefit the employees but also the organization as a whole.
