Record Social Security Benefits Paid In County

Foster Home Shortage Declared

Foster and said he will try to improve the service and work so as to continue in work as a main line to be taken care of. "We have had some problems," he said, "but we have not been unable to work on a month's worth of work."

Lake Board Will Hire Wardens For Murvaul

To meet the needs of the county, the Lake Board has decided to hire wardens for Murvaul to ensure the safety and order of the lake. The hiring process will take place in the coming weeks, and qualified candidates will be selected based on their experience and qualifications. The department will continue to monitor the situation and adjust as necessary to ensure the safety and well-being of all individuals using the lake.
