B’ville Plans Annexation
Of 38 Acres Being Developed

New Bremen City Commissioners voted unanimously to annex 38 acres of
land west and east of the present city limits. The action was taken after the
commissioners had met with the developers who plan to develop the land into
residential areas.

According to City Secretary Elaine
Thompson, the annexation was
recommended by the Plat and
Appraisal Board of the City, which
recommended the annexation as
“necessary and beneficial for the
well-being of the community.”

The commissioners are expected to
vote on the annexation at their next
meeting. The annexation will require
approval from the county commissioners before it can be formally approved.

MARKERS VANDALIZED—This sign was
smashed along the road leading to
Pansy Lake. The sign was installed by
Pansy Lake residents to indicate
the lake’s location. The vandals
broke the glass and ripped up
the sign. The cost of replacement
is estimated to be $300.

Exemption Increase Fails
By Five-To-Three Margin

Voters in the Pansy Lake area defeated the
exemption increase measure by five votes:
3,200 to 3,205. The measure, which
would have increased the exemption
limit from $4,000 to $5,000, was
rejected by the voters.

Govt. Workers Plentiful

Govt. workers in the Pansy Lake area
are more plentiful than ever before. Many
public servants have been appointed or
promoted to various positions in the
government. The increase in government
employees has resulted in a decrease in
taxation, which has been beneficial to the
community.

Brief Fight Disrupts Election Return Rally

The neatly organized campaign to
coordinate the efforts of all political
candidates in the upcoming election was
thrown into disarray by a brief fight
between two candidates.

Ms. Arnold Honored

Miss Bette Arnold, English teacher
at Pansy Lake High School, was named
recipient of the Teacher of the Year
Award by the State Board of Education.
