In Broilers

Pandora County was the site of a successful broiler sales program recently. In 1970, 37,500 broilers were sold, with a profit of $37,500, which was a significant improvement over the previous year. The success of the program is attributed to the dedication of the local farmers and the support of the Pandora County Agricultural Extension Service.
New rates for long distance calls within Texas.

With Discount Periods and a new One-Minute Rate, you may be able to save money.

Rates for Long Distance calls within Texas have been changed and new discount periods and a new One-Minute Rate have been introduced. These changes are designed to make long distance calling more affordable for residential and business users.

Discount Periods:
The following discount periods are in effect:
- Early Morning (1:00 AM to 6:00 AM) - 20% discount
- Late Night (11:00 PM to 5:00 AM) - 25% discount
- Weekends (Saturday & Sunday) - 30% discount

One-Minute Rate:
The new One-Minute Rate is available at any time of day and will not add to your discount during the discount periods.

To calculate your potential savings:
- Identify the time of your call within the discount periods.
- Add the cost of your call to the regular rate.
- Compare the total cost to the discounted total.

Example:
- Call at 10:00 AM during Early Morning discount period.
- Calculate cost based on regular rate.
- Apply 20% discount to the calculated cost.
- Compare discounted cost to total cost of regular rate.
- Save money on your call.

For more information or to set up your long distance service, contact your local telephone company or call customer service.

*Discounts and rates are subject to change without notice.*
