**LONG LINES-The first section of a 1,300-foot long water and sewer line system for a new subdivision west of San Marcos was dedicated Monday by the City of Longview as prime contractor. The new system is being built in a development subdivision in the northwest part of the city and is to be paid for with bonds received in revenue from the completed system.**

**Inflation Fires Still Flicker**

The editorial cartoon on the following page shows the current state of the economy. It highlights the rising cost of living and the frustration it causes. The text accompanying the cartoon further explains the situation and offers some ideas on how to address the problem. The page also features an advertisement for Brookshire Bros, a local grocery store, with information on the best deals and promotional offers. Additionally, there is an article about the need for energy conservation due to the current economic conditions.
