**How To Win**

Sensibility is the key to winning at the university level. As Dr. H. D. White states, "The team that is the most sensible is the team that wins."

**Opinion & Features**

**Editorials**

**Unfortunate Words**

President Theodore Roosevelt, who passed away earlier this year, made a profound impact on the nation. His energetic leadership and dedication to the country spanned many years. Born in New York City, Roosevelt was a leader in the progressive movement. His legacy lives on through his lasting contributions.

**To The Baricades**

As the demonstrations of the independent state of the People of Portugal over their illegal occupation continue, there has been a significant development. Mrs. Pint, former First Lady, has every right to press her case.

**Sports**

**Cuban Viper**

Cuba has not been an idle bystander in the recent political developments. The Cuban Viper, as it is known, has shown its presence in various international forums. The country's stance on previous conflicts has been a subject of discussion.

**Neutralizing Values**

**About Taxes**

It's been a long, hot summer. The heat has taken its toll, but we are in a state of flux. The weather has been erratic, and we are trying to adapt.

**Detente**

The concept of detente, or détente, emerged as a means of resolving political tensions. The thaw in relations between the United States and the Soviet Union was a significant development in the Cold War era.

**Out Of The Past**

**Season Opener Set For Friday**

This year's season opener promises to be an exciting football game. The teams are ready, and fans are eagerly anticipating the start.

**Hunters Hope For A Change**

The hunters are hoping for a change in their fortunes. Despite the challenges, they continue to pursue their passion for hunting.
