United Fund Hopes Dim

Apathy Might Kill Local Campaign

Agspection increases in Panola County's United Fund Activities, including the smaller road building and the construction of an additional 900 feet of fence in the Panola County area. The United Fund Board of Directors has heard this. The past year's fund-raising efforts have not been very successful and it is believed that next year will be even worse. The survey indicated that there is a decrease in the number of people who contribute to the United Fund in the county.

The fund-raising efforts have not been very successful in the past year. The United Fund Board of Directors has heard this. It is believed that next year will be even worse. The survey indicated that there is a decrease in the number of people who contribute to the United Fund in the county. The United Fund is in need of more volunteers to help them raise funds.

County Grant Partially Funded

Panola County's solid waste grants will be partially funded through the Environmental Protection Agency. The grants will be used to help the county develop a solid waste management plan and to purchase equipment. The grants are a part of the EPA's Solid Waste Initiative, which is designed to help communities develop sound waste disposal practices.

Rabies Warning Issued

By Local Veterinarians

A warning is in effect for animals in the county. Rabies is a contagious disease that can be transmitted to people and pets. The Panola County Animal Health District has issued a warning to pet owners to keep their animals up-to-date on their rabies shots. The warning is in effect for the next two weeks.

Two-Truck Accident Leaves One Injured

Carthage Volunteer Firemen worked for nearly 90 minutes Saturday morning to rescue a man who had been trapped under the wreckage of a two-truck accident on Highway 69 about 9 a.m. in the county. The accident occurred at the intersection of Highway 69 and County Road 270. The driver of a pickup truck was killed in the accident. Two people were injured, one of whom was airlifted to a hospital.

West Loop Contract Let

A contract for grading and structure work on the new west loop of U.S. Highway 84 in Carthage was awarded to Davis and Davis Construction Company. The contract is for $275,000 and will provide for the construction of the west loop project in Carthage. The project will improve traffic flow in the area by providing a new entrance and exit to U.S. Highway 84.

Photograph of the Week

A photograph of a local event was submitted by a reader. The event was a local festival held in the county. The photograph shows a group of people enjoying the festival.

Signature for the United Fund was taken on the cover of the Panola County Monitor. The United Fund is a local organization that raises funds for various community projects.

New Postmaster Named

Edward Moore, a native of the county, was named postmaster in Carthage. Mr. Moore has extensive experience in postal work and has served in various capacities in the department. He is a graduate of the Postal Service Training School and has served in various locations throughout the country. Mr. Moore has been in the postal service for 15 years.

VICTOR RESIGNED: Carthage Volunteer Firemen and Panola County ambulance attendants were questioned by a coroner after a car accident involving a fire truck and a motorcycle in the local hospital. The coroner, while questioning the volunteer firemen, said that he was following the standard procedures for investigating accidents. The coroner said that he was following the standard procedures for investigating accidents. The coroner said that he was following the standard procedures for investigating accidents. The coroner said that he was following the standard procedures for investigating accidents. The coroner said that he was following the standard procedures for investigating accidents.

In an accident Thursday, a 20-year-old girl was killed. The accident occurred at the intersection of Highway 69 and County Road 270. The driver of a pickup truck was killed in the accident. Two people were injured, one of whom was airlifted to a hospital.

Life insurance will be one of the major topics discussed at the upcoming insurance meeting in Carthage. The meeting will be held on Saturday, October 5th, at the Carthage High School. The meeting will be open to the public and will be attended by insurance professionals from the area.

Mrs. Metcalf Named HCDC VP

At Tuesday's meeting of the board of directors of the HCDC, Mrs. J.B. Metcalf was named as the new vice president of the board. Mrs. Metcalf will hold the post for one year. She succeeds Mrs. Leon W. Smith, who is now chairman of the board.

Ex-Student Fete Slated March 6

A special event for former students of Cape Fear Community College is planned for March 6. The event will be a fund-raiser for the college's scholarship fund. The event will feature a dinner, entertainment, and dancing. Tickets will be sold in advance, and all proceeds will go to the scholarship fund.

Austin Report

by Rep. Ray Blake

A new state law that affects all drivers will go into effect on March 1. The law requires all drivers to wear seat belts while driving. The law is expected to reduce the number of fatalities and injuries on the roads.

VIEWPOINT

Federal Schools

As educators in all our schools begin another fall semester, we should be concerned with the future of our educational system. Our schools are in a constant state of flux, trying to accommodate the needs of our changing society. It is important to ensure that our schools continue to provide a quality education for all students.

Hike Delayed

The news that the federal government has delayed a proposed increase in the FICA tax is welcome news. This move will help alleviate the burden on workers and small businesses. It is essential that we support policies that promote economic growth and job creation.

SENSING THE NEWS

No New York Bailout

The recent news about the possible bailouts of New York City is concerning. The city is facing significant financial challenges, and it is important that we ensure that our cities have the resources they need to thrive.

Passive Partner

During his recent visit to Texas, President Obama discussed the importance of making smart investments in our infrastructure. It is crucial that we support policies that prioritize the long-term needs of our communities.

Conservation

Out Of The Past

In Breeding Cattle Exports

Texas Stays On Top

Ted Kebekus, agriculture specialist, reported that Texas is the top cattle export state. The state is expected to lead chronologically and in the future. Four years ago, Texas was the number one state for cattle exports. It is expected to lead again this year and in the future. The state's success is due to the high quality of its cattle and the efficient way they are bred. The industry continues to grow in Texas, with new farms opening and existing ones expanding. Cattle exports are an important part of the state's economy, contributing to its growth and prosperity.
