Tillery Is UF Prexy

Abernathy, Martin Are Drive Chairmen

W. V. Tillery was named president while Larry Abernathy and Gary Martin were named vice-president and secretary at the recent annual meeting of the UF (United Farm) organization last week in Orlando, Florida.

In addition, the national board of the UF organization met in Orlando last week to decide the future of the organization. The organization has been facing financial difficulties and membership decline in recent years. The board decided to focus on increasing membership and fundraising efforts.

All UF officers agreed that the organization is facing a critical time. The drive is definitely on, but the fortunes of the funds. Without full support of all the members, the UF organization will face significant challenges in the future.

Two Jailed

In Burglary

Panola County sheriff's deputies arrested two adults and were seeking two juvenile suspects Tuesday in connection with the break-in at Tillery's Collier Shop near the county line.

The burglars, who were seeking to retrieve property stolen from an adjacent residence, were caught after a brief chase.

At least one of the suspects is a juvenile who may face charges.

Election Hours Are Set

Local Airport To Be Locked

All 13 -in towns in Panola County will open from 8 a.m. to 6 p.m. on Election Day, Tuesday, Nov. 6, for this year's general election.

The sheriff's department will be on hand to enforce the election hours and to provide security.

Truck Wreck Victim

Tatum Man Dies

Hardin Hardeman, a truck driver, struck a parked car in Tatum, killing one person and injuring several others.

The truck driver, 45-year-old Hardin Hardeman, was killed in the accident. The accident occurred on U.S. Highway 80 near Tatum.

Revenue Sharing Check Is Received

A check for $5,000, representing revenue sharing money for the first quarter of the current fiscal year, was received by Mayor Tommie Anderson of Tillery.

The revenue sharing money is a part of the federal government's program to provide assistance to local governments.

B'ville UF Total Given

After a full week of work, members of the Lake County University of Florida (UF) chapter held a meeting Monday night to discuss the year's activities and plans. The chapter was given a total of $5,000 as a result of a successful fundraising campaign.

The funds will be used to support various projects and activities, including scholarships for students and community outreach programs.

Groundbreaking - The first shovels full of dirt were turned Monday morning for the new kindergarten facility at Little School by school officials and other dignitaries. Officials were on hand to celebrate the beginning of the new facility that will be constructed next to the existing school building.
Rhett, Bears ‘Go Home With The Win’

The Bulldogs never looked back as they rolled to a 30-0 victory over the Swamps Center on Friday night. The game was over early as the Bulldogs scored in the first half and never gave Swamps Center a chance to come back.

Lumberjacks Face ACC Wildcats

The Lumberjacks were unable to overcome the ACC Wildcats in their first game. The Wildcats held their own and took the victory after a hard-fought battle.

VIEWPOINT

Bad Busing

The current system of black students not being able to ride the same buses as white students is not only unfair but also unsafe. These policies were put in place to ensure segregation and prevent integration, and they are still in effect today.

Criminal Guns

The recent increase in gun violence has been alarming. It is time to address the root causes of this problem and implement stricter laws to prevent such incidents from happening.

SENSING THE NEWS

Energy Independence?

The push for energy independence is a necessary step towards reducing our dependence on imported oil. However, we must also consider the environmental impact of these solutions.

Gobbledygook

The term "gobbledygook" is often used to describe language that is incomprehensible or irrelevant. It is a way of not taking the time to think through a concept or issue, as it is often used to avoid difficult conversations.

Sneaky-Pete

The recent surge in voting fraud has been concerning. It is crucial to ensure the integrity of the electoral process and protect the rights of all voters.

Out Of The Past

The past can be a source of inspiration and learning. It is important to remember and reflect on our history to avoid repeating mistakes.

Carthage Grows By 18 Families During Last Four-Month Period

A total of 18 new families have moved to Carthage during the last four months. This is a significant increase in population and is expected to continue.

Calf Marketing Schedule Is An Unsettled Question

In the wake of big storms in recent years, local producers are considering the possibility of bringing their marketing schedule for young calves to the Panola County Fair. The decision is expected to be made in the next few days, after the producers review the current situation and consider the impact on the local market.

Shooting Preserve Regulations Change

The shooting preserve owners have recently made several changes to their regulations. The changes include increased safety measures, including the implementation of a new orientation program for new members. The preserve owners have also increased the number of hours that members can join the preserve, from two to three days per week. This change is expected to increase membership and revenue for the preserve.

Protect Your Home Against Winter's Weather

Electric Heat Was the Ugly Duckling

Why Heat is the Toughest Tool in the Winter

... continued from last week

The electric heat was the ugly duckling. Hated and misunderstood, it was the tool that seemed to shatter ancient notions of what a real gentleman should use in his home.
