**Bike-A-Thon A Success**

More than 45 riders entered the Bike-A-Thon. The event was a great success and raised funds for the local children's hospital. The Central Baptist Church hosted the event, which included a 10-mile ride through the city and a 5-mile fun ride. The ride was open to all ages and levels of experience.

**College Conducts Survey**

A survey was conducted at the University of Texas, Austin, to assess the impact of recent events on student opinion. The survey was administered to a random sample of students and included questions on a variety of topics, including campus life, academic performance, and political attitudes. The results were analyzed using statistical software, and the findings were presented to the administration and students.

**NEW GIBSONS STORE OPENS HERE**

The new Gibson's store opened on Main Street in central town. The store features a wide selection of clothing and accessories for men and women, including names brands and local designers. The store is open from 9 am to 9 pm, Monday through Saturday, and from 10 am to 6 pm on Sunday. The store is located at 123 Main Street, central town, and is easy to find in the heart of the downtown area.

Water Prevents Frost Damage To Vegetables

The best way of the leaf tips of frost damage to vegetables is to apply water. The water acts as a protective shield against the cold. This method is especially effective for lettuce, cabbage, and broccoli. To use this method, simply water the plants thoroughly the night before a frost is expected. The water will keep the leaf tips from freezing.

Carthage Swimmers Take Swim Meet Firsts
Lions Started 40 Years Ago

Lions are not new to Carthage. Actually, the Carthage Noon Lions have been here for 40 years. The Carthage Noon Lions Club started on October 24, 1977, with the initial meeting being held at the Bank of Commerce. The first meeting was held at 12:00 noon, which is the reason for the name of the club. The first meeting was held in the office of the bank, which is now the Bank of Commerce. The club was formed to promote community service and to provide a social outlet for professional men.

Lions International is a world service organization for men, and the Carthage Noon Lions are part of this international group. Lions Clubs are chartered by Lions International and operate under its governing rules and regulations. The club has been active in the community for 40 years, and has been involved in many community service projects. The club has also been involved in many social events, such as the annual Lions Club barbecue, which is a popular event for the members of the club.

For Local Lions
Annual Show Raises Money

The annual Lions Club show is one of the most popular events of the year. The show is held in the spring, and features a variety of vendors, including jewelry, clothing, and other items. The show is open to the public, and is a popular event for the members of the club.

Carthage Lions Are Part Of International Group

Nuptial Vows Pledged
By Local Couple

The couple of local residents, John and Jane Doe, have announced their intent to wed on the 29th of next month. The ceremony will take place at the local church, followed by a reception at the home of the bride's parents.

Margaret Moore Feted By Going-Away Party

Margaret Moore, a resident of the local community, was feted with a going-away party last Friday evening in honor of her departure to New York City for a new job opportunity. The event was hosted by her friends and family at a nearby restaurant.

Kappa Lambda Has Two New Members

Kappa Lambda, a local fraternity, has announced the addition of two new members to its ranks. The initiation ceremony took place last Saturday evening at the fraternity house, attended by family and friends of the new members.

Murry Home Is Setting For Garden Club M.

Murry Home, a resident of the local community, has been setting the stage for the upcoming garden club event. The event is scheduled for next Tuesday evening at the community center, and members are encouraged to bring their green thumbs.

Texas Treats

Texas Treats, a local candy store, has announced a new line of treats for the holiday season. The treats will be available for purchase at the store starting next Thursday.

Music Club Hosts Combined Meeting

The Music Club has announced a combined meeting with another local club. The meeting is scheduled for next Saturday evening at the local library, and all members and friends are welcome.

Beasley Is Honored By Shower

Beasley, a resident of the local community, has been honored with a shower. The event was hosted by friends and family at a nearby restaurant last Sunday afternoon.
There's more to managing a forest than just planting trees.

There are several things involved in managing a forest. One of the most important is monitoring the growth of the trees. This involves measuring the height, diameter, and overall health of the trees. Another important aspect is managing the forest to ensure that it remains healthy and productive. This can involve removing dead or diseased trees, controlling pests, and managing the forest to ensure that it provides the greatest benefit to the ecosystem.

There are many practices used in managing forests. Some of these include selective logging, which allows for the removal of only certain trees, and comprehensive forest management, which involves managing the forest as a whole. Forest management is an ongoing process that requires constant monitoring and adjustment.

Managing a forest is a complex task, but it is one that can have a significant impact on the environment and the economy. By managing forests properly, we can ensure that they remain healthy and productive for generations to come.
