Voting Changes Draw Scrutiny

Justice Department Makes Inquiry

Changes in polling places and the addition of new voters to the Panola County electorate are among the issues the Justice Department is investigating. The department has been conducting a review of voting practices in Panola County, including the methodologies used to select polling places, the number of voters registered to vote, and the number of polling places open in the county. This investigation is part of a broader effort by the Justice Department to ensure that all citizens have equal access to the polls and that voting practices comply with federal laws.

Seasonal Slump Noted

In Local Construction

The seasonal construction slowdown is expected to continue in Panola County. According to the Panola County Chamber of Commerce, the construction industry is currently experiencing a seasonal dip due to the end of the year. This is typical of the construction industry, which experiences a slowdown during the winter months due to weather and scheduling issues. The chamber expects the construction industry to pick up again in the spring, when warmer weather returns.

Spanish Required

On Registration Forms

The US government is requiring the use of Spanish on registration forms to ensure that all citizens have access to the voting process. The requirement is part of the Voting Rights Act, which prohibits discrimination in voting. This move is intended to ensure that voters who are Spanish-speaking have equal access to the polls and can register to vote in their preferred language.

School Holidays Start Friday

The school holiday schedule for the upcoming year has been announced. School will be closed on Friday, December 23rd, for the winter break. The next workday will be on Monday, January 3rd. This schedule is intended to provide students with a much-needed break from the academic year and to allow families to spend quality time together during the holiday season.

ABE-GED: Helping Adults To Learn

The ABE-GED program is designed to help adults who are seeking to earn their high school equivalency diploma. The program offers classes in reading, writing, and mathematics, as well as preparation for the GED test. The program is open to anyone who is not currently enrolled in a high school and who is seeking to improve their basic skills. The program is free to all registered students, and no prior experience is required.

Corn Causes Accident

Several persons were injured in an accident on U.S. 79 in Panola County yesterday. The accident occurred just north of the town of Rainsville when a car driven by an 18-year-old male collided with a truck. The driver of the car sustained minor injuries and was transported to the hospital. The driver of the truck was also injured but was able to drive away from the scene.

Panama Talks Draw Intruder

The Lines
By Elia Sosnowski

Panama Talks Draw Intruder

The United States and Panama have agreed to negotiate a defense treaty. The agreement, however, has not been without controversy. Panama has expressed concern over the presence of foreign troops in their territory, while the United States has assured Panama that the troops will only be stationed there on a voluntary basis.

The talks have been delayed due to the presence of an intruder who has disrupted the negotiations. The intruder, a mysterious figure who has been seen on several occasions, has not been identified. It is believed that the intruder may be a member of a foreign intelligence agency, but this has not been confirmed.

The negotiations are expected to continue, but the presence of the intruder has added an element of uncertainty to the talks.

IT'S REALLY TRUE
TEXAS HISTORY

Your company has no retirement plan, and you know Social Security won't be enough.

Shelby-Panola Federal Savings & Loan's new tax-sheltered retirement plan may be the answer.

An individual Retirement An-
count today, and during your retirement years, you'll be able to do things, go places.

This plan is available to any taxpayer who has not been an active participant in any qualified retirement plan during the current year. You can contribute up to $5,000 annually, or 15% of your earned income for the taxable year, whichever is less. This contribution is totally deductible, and you won't even have to defer your contributions.

Your contributions will be taxed until you begin to receive returns, which is most likely to be in a lower tax bracket.
