**Joffrion Named Best Boss**

**By Local ABWA Chapter**

On March 1, Joffrion, who both Big J Construction Company here and in Dallas, was named Best Boss by the Associated Women Business Executives (ABWA). Joffrion, a graduate of Louisiana State University, has been in the building business for several years and is also president of Big J Construction Company. Joffrion was named Best Boss by the ABWA chapter in Dallas last year.

The award was presented by the Dallas chapter at a dinner meeting held last night at the Spanish Institute. The awards are given annually to the best boss in the building business for the year.

The award was presented to Joffrion by Mrs. E. B. Rice, who also presented the award last year.

**School Lets Carpet Job**

Western Auto here was the first to notify the county of their decision to let the carpet job in the building. The job was awarded to the Beeman Company.

**New Zoning Law Tops City Agenda**

The city council approved a new zoning law which will be effective immediately. The law was presented by the city manager, who said it would be a great help to the city.

**Tournament Scheduled**

The annual Southwestern Athletic Association tournament will be held in Dallas next month. The tournament will be held on March 15th and 16th.

**Transportation Crisis Outlined By Jester**

A group of Petroleum residents expressed concern over the transportation crisis in the city. The group was led by Jester, who said that the transportation crisis is a real problem and needs to be solved.

**Curb, Gutter Contract Let**

The city council has let a contract for the installation of curbs and gutters on several streets. The contract was awarded to the Curb and Gutter Company.

**Rodents Not Carthage?**

But Favorable Conditions Do Exist

Carthage does not have a large rodent problem, but the city council is taking steps to control any that may develop. The city council has approved a plan to keep the rodent population under control.

**News Briefs**

Marines Entering New Battle

Between The Lines

Marines, just returning from a tour of duty in the Far East, are now preparing to enter a new battle: the struggle for on-base nuclear weapons. The Marines, along with other military services, are urging policymakers to reconsider the deployment of nuclear weapons on bases and installations overseas. They argue that these weapons pose a significant threat to civilian populations and the environment.

Wade Announces For Congressman

Wade, a former elected official, has announced his candidacy for a congressional seat. He has been active in local politics and has a strong record of service to the community. Wade is running on a platform that emphasizes issues such as education, healthcare, and the economy. He promises to work closely with the federal government to address these issues and improve the lives of his constituents.
