Clayton Residents Want Telephone Exchange

By J. M. Newton

Clayton area residents on Thursday said they would be included in the new telephone exchange when the whole area is served on the same system as other parts of Clayton.

"We will have a telephone exchange, but it will be a Clayton area exchange," said a resident who asked not to be named.

The new exchange is scheduled to go into operation on Oct. 1.

---

Browning Named Hospital Boss

Bob Browning, business manager at Palisades Hospital, has been named temporary administrator in charge of the newly organized hospital board.

Browning, who has served as the hospital's business manager for the past seven years, succeeds Robert J. Brown, who was named to the hospital's Board of Trustees in January.
