BISD Hires New Superintendent

BISD SPEDS—Dr. William Spengel, Rotary Foundation
mzntor, radio-television personality and author,
announced the appointment of James W. Tackett as
Panola County Superintendent of Continuous
Industrial Education. Tackett is a graduate of
Carthage High School and has been married to
his wife, Beulah, for 30 years. They are the proud
parents of three children. Tackett has been
involved in education for 30 years and is looking
forward to his new position.

News Briefs

Tax Sign-up

The Carthage Independent School District
Tax Office held its annual tax sign-up
on Tuesday with a 94.49% tax collection rate.

Hearing Set

An extension of the City of Carthage
water rates was set for presentation
on Tuesday due to the need for
additional funds to continue water
projects.

Free Auditions Scheduled

BISD Hires New Superintendent

Judson Cates, Marshall High School
principal for the past two years, has
been selected as superintendent of the
Marshall Independent School District to
replace Herbert Johnson, who is retiring.

Tackett has scheduled 10 open
meetings for the community to
learn about his vision for the
school district.

Martin Lake Park

The Texas Parks and Wildlife Commission
approved the construction of a 20-mile
.jpg extension of the park at the outlying
portions of Martin Lake. The extension
is expected to be completed by the end
of the year.

The project will include a 10-mile
extension of the existing trail system.

Sales Tax

The Carthage Independent School District
has released a statement regarding
the possible increase in the sales tax
rate. The statement states that the
increase is needed to fund the
construction of new classrooms and
improve existing facilities.

The statement also mentions the
possible increase in the property tax
rate. The district is asking for the
community's support in this matter.

The statement concludes with the
request for community members to
attend the upcoming meeting to
discuss the matter further.

For Cinderella Girl Pageant

The Cinderella Girl Pageant is
announcing its upcoming event.

The event will be held on Saturday,
October 15, 2022, at 2:00 pm at

Pageant website.
In Spite Of Problems
Panola Dairymen Thrive

In the Panola area, in spite of problems, dairymen are finding a way to make a living. Many are using new equipment and techniques to improve their operations. One of the most significant changes has been the introduction of milking machines. These machines have revolutionized the dairy industry, allowing for more efficient and cost-effective milking operations.

The use of milking machines has also resulted in a reduction of labor costs. In the past, dairymen had to spend a significant amount of time manually milking their cows. With the introduction of milking machines, this time can be substantially reduced, allowing dairymen to focus on other aspects of their operations.

Another factor contributing to the success of dairymen in Panola is the availability of high-quality feed. With the use of proper feed management, dairymen can ensure that their cows are healthy and producing milk.

Despite these improvements, dairymen in Panola still face challenges. Weather conditions can affect the availability of feed, and diseases can pose a threat to the health of cows. However, with the help of new technology and innovative management practices, dairymen in Panola are finding ways to thrive.
