Martin Lake Could Open Soon

But Only For Daytime Use, Temporarily

Martin Lake could be open to the public by July 1, but only for day use during daylight hours. The state Parks & Wildlife Department has licensed Martin Lake under the Texas Parks & Wildlife Department. The Martin Lake, located in the southwest corner of the state near the town of Martin, is a popular recreational area for both leisure and sport fishing. The lake is known for its good-sized bass and other species of fish such as catfish and crappie. The lake is also a headquarters for area fishing clubs and is a popular destination for bass fishermen.

Tuesday and Thursday Downtown

Farmer’s Market Set

Plaza for a Farmer’s Market, to be held every Tuesday and Thursday beginning next week, will be erected opposite the Texas Bank, according to H. C. Baker, postmaster of the town. This will be the first time that a weekly market has been held in the area since the economic downturn caused by the COVID-19 pandemic. The market will feature fresh produce, local artisans, and vendors offering a wide variety of products. The market will be open from 9 am to 2 pm every Tuesday and Thursday from now until the end of September.

Weather Forecast

Saturday: 10°F - 2°F - Cloudy; sunny with high temperatures 6°F.
Sunday: 1°F - 2°F - Cloudy; sunny with high temperatures 5°F.

Tuesday: 4°F - 5°F - Cloudy; partly sunny with high temperatures 6°F.
Wednesday: 5°F - 6°F - Cloudy; partly sunny with high temperatures 7°F.
Thursday: 6°F - 7°F - Cloudy; sunny with high temperatures 8°F.
Friday: 7°F - 8°F - Cloudy; partly sunny with high temperatures 9°F.

Explosion, Fire Rock Plant; Quick Action Averts Disaster

by Jim Beene

An explosion and fire rocked the Chase City plant of National Gypsum Co., last Saturday afternoon, but with no injuries to persons or damage to property. The plant is located on the outskirts of Chase City, about five miles west of Martin, on the Chase City-Woodland Road. The cause of the explosion and fire is not yet known, but it is believed to be due to an electrical failure or some other mechanical failure.

Member Ambulance Plan Outlined

Discussed at meeting of the Board of Directors of the Martin Lake Area Improvement District, the plan for a member ambulance service was outlined. The plan involves the formation of a cooperative ambulance service operated by the members of the district. The service will be available to members of the district for a nominal fee and will be provided by local volunteers.

Highway Department To Can

More Men In Panola County

The Panola County highway department is preparing to hire more men to work on road maintenance and other projects. The department is seeking to increase its workforce to help meet the demands of the growing population and the increasing traffic in the area. The department is offering competitive wages and benefits to attract qualified candidates.

**East German Reds Are Tough**

By John Harbison

In the face of a new arms buildup and the threat of nuclear war, the East German Red regime is showing signs of becoming more aggressive. The regime, which has been portrayed as a model of socialist utopia, is now facing greater pressure from the West and is responding with increased military spending and a more confrontational foreign policy.

**Between The Lines**

By Bob Smithson

The recent developments in Eastern Europe have raised questions about the future of the region. The collapse of the Soviet Union has led to uncertainty about the role of Russia in international affairs. The United States and its allies are facing a new era of competition and potential conflict in the region.

**Take It From Me**

By M. W. Reynolds

Reynolds discusses the importance of taking personal responsibility for one's actions. He argues that individuals must be accountable for their own decisions and that society relies on individuals to make ethical choices.

PONY PLAYERS TOP PICKS

LIONS TAMMED BY COMEBACK
The American League's New York Yankees, seeking their fourth straight World Series victory, clashed with the American League's Boston Red Sox, seeking their third straight World Series victory. The Yankees won the series 4-3, with two games tied 2-2. The key was the Yankees' starting pitcher, who held the Red Sox hitless for 6 innings. The Yankees' outfielder hit a walk-off double in the 9th inning to win the game. The Yankees' catcher, who had been out with a shoulder injury, returned to the lineup and played a critical role in the series victory. The Yankees' manager, who had been criticized for his handling of the series, was congratulated by the Yankees' players and the team's owner. The Yankees' pitcher, who had been questionable coming into the series, pitched a complete game in the deciding game. The Yankees' catcher, who had been out with a shoulder injury, returned to the lineup and played a critical role in the series victory.

LEGION DUMPS TYLER, J'VILLE
LaTex Plans? Golf Banquet

The Veterans of Foreign Wars (VFW) of J'ville, Illinois, held a Golf Banquet to celebrate the legendary baseball player, Ty Cobb, who had recently passed away. The banquet was held at the J'ville Country Club, and was attended by many of Ty Cobb's former teammates and friends. The keynote speaker was Ty Cobb's former catcher, who shared many stories about Ty Cobb's playing career. The banquet was followed by a golf tournament, which was won by Ty Cobb's former teammate, who had been out with a broken arm. The J'ville Chamber of Commerce, who had sponsored the banquet, expressed their sympathy to Ty Cobb's family and friends. The J'ville Chamber of Commerce, who had sponsored the banquet, expressed their sympathy to Ty Cobb's family and friends.

Scouts Enjoy Camp Pirtle

The annual summer camp for the Boy Scouts of America is held at Camp Pirtle. This year's camp was held in June, and the scouts were able to engage in various activities and learn new skills.

Scouts Learn Safe Boating

The first day begins with activities for the boys to learn about water safety. They are taught how to properly use life jackets and other safety equipment. This is a crucial part of the camp as the boys are encouraged to learn about the importance of safety while enjoying the many activities available.

Crafts Center

The crafts center is a popular spot for the boys to engage in various creative activities. They can work on projects such as making pottery, weaving, or creating jewelry. This helps them develop their skills and creativity.

All Roads Lead To Fun

The various activities at camp are designed to be fun and engaging for the boys. They can choose to participate in activities such as archery, riflery, or swimming. There are also opportunities for the boys to explore the natural environment around the camp.

Animal Lover

The camp is located in a natural setting, and the boys are encouraged to interact with the animals. They can learn about the importance of caring for the environment and the animals that live in it.

Obstacle Course

The obstacle course is a popular activity that challenges the boys to use their physical abilities and problem-solving skills. It is designed to be both fun and educational.

Rifle Range

The rifle range is a safe and controlled environment for the boys to practice their riflery skills. It is supervised by trained instructors to ensure safety and proper technique.

Shady Lane

The camp is located in a shaded area, providing a comfortable environment for the boys to relax and enjoy their time. This helps them to stay cool and comfortable during the summer heat.
